The Two-Year College Option in Virginia

With 23 community colleges on 40 campuses in virtually every corner of the state, why not begin your higher education at a Virginia Community College? Most occupational/technical programs lead to associate's degrees (2 year programs) and certificates (1 year programs). Also, they all have two-year college transfer programs (i.e., the first two years of a four year-degree) with outstanding guaranteed admissions agreements with most colleges throughout Virginia.

Dabney S. Lancaster has Guaranteed Admissions Agreements with many schools in the state including:
